

DESIGNING A TOY

Toy companies around the world have been developing toys that celebrate diversity. **You have been employed by a major toy company to create a toy that celebrates differences and diversity.** Can you think of a toy that would serve a group that is normally discriminated against? Draw your newly designed toy and label parts of your toy that make it unique. Provide a brief description at the end. Be sure to give your toy a nice name.

A large, empty rectangular box with a pink border, intended for drawing and labeling a toy design.
