

# PLANTS AS HOMES

Take a walk around outside. Using your eyes only, discover how plants are used by animals as homes. Record your observations:

Plant part:

Animal:

Draw a picture below of a forest, and label how animals use it as a home:

A large, empty rectangular box with a black border, intended for a student to draw a forest scene and label how animals use the plants as homes.

Besides for shelter, how else do animals use plants to survive?
