

SucSeed Curriculum Outcome Links

New Brunswick

Grade 5

- Science
 - o Grade 5 science focuses mainly on the human body
 - o GCO 2
 - o SCO 2.1 Students will consider factors that support responsible application of scientific and technological knowledge and demonstrate an understanding of sustainable practices.
 - Stewardship
 - Healthy living E.g. preventative actions, eating balanced diet, rehabilitation following injury.
 - I can evaluate the effects, both beneficial and harmful of various technologies developed to improve living conditions.
 - I can conduct investigations (classroom / outdoor) while following environmentally appropriate practices.

- Mathematics
 - o Grade 5 math focuses further on division, multiplication, and representative processes. Little to no overlap with SucSeed's goals.

- Social Studies
 - o Grade 5 social studies focuses on the historical context of New Brunswick. Learning outcomes have little correlation with SucSeed.

- Health
 - o GCO 1
 - SCO 1.1 assess personal health habits and their relationship to wellness
